1 I'm a notebook!

I was born a notebook.

```
[1]: print("this means I can run code and stuff")
```

this means I can run code and stuff

```
[2]: ans = 42
      print(f"The answer is... {ans}!!!")
```

The answer is... 42!!!

```
[5]: mystr = f"The answer is {ans}"
      print(mystr)
```

The answer is 42
